Stage 3 COVID-19 SA Government Restrictions Compliant

Due to current SA Government restrictions on licensed venues due to Covid-19, it is important to understand that we are not able to serve cocktail style finger food to your group in the traditional way. We cannot hand out canape items on large platters, and we cannot leave platters or grazing tables for all members of your group to share from.

So instead we will be serving cocktail style food, but each guest will receive their own individual plate of finger food style items.

DIETARY REQUIREMENTS

Guests with dietary requirements will be catered for separately. You will need to confirm the names of the guests with dietary needs prior to the event. e.g. if you select package 1 for 50 guests, but 2 are vegetarian. You will receive 48 'meat' plates and 2 'vegetarian' plates. We will seek out the vegetarian guests by name. If you are unsure of the quantity of dietary guests and are not able to provide their names, then you may choose to cater with extra dietary plates. E.g. if you are expecting 50 guests, you may choose to cater for 50 with the 'meat' plate and order an additional 3 'Gluten Free' plates and 3 'Vegetarian' plates. Meaning you would be paying for 56 in total.

CATERING NUMBERS

For responsible service of alcohol you cannot under cater. E.g. you must order at least 1 plate per person attending. We recommend over catering where possible. e.g. if you are expecting 50-60 guests. Cater for 60... we're sure the extra plates wont go to waste!
