

Functions Drinks List

For a Bar tab you are welcome to select up to 5 wines.

For beers/ciders and spirits you can select any of the options available in the space you have booked.

Subsidized drinks tabs are available in the BALCONY ROOM only. If you choose to have a subsidized drinks tab, the only term we have is that all of the drinks available on the subsidized tab must be sold to the customer at the same price. The difference will then be charged to your tab.

E.g. all drinks \$3 with the difference charged to your tab.

Note, guests bar purchases do not count towards the minimum spend required. This includes any subsidized amount paid by the guests. Only the value of your tab counts towards the minimum spend.
